

Community Foundation of Central Wisconsin MISSION STATEMENT

It is the mission of the Community Foundation of Central Wisconsin to help make the counties of Portage and Waushara better places to grow, to work, to play and to retire - by helping people, enhancing education, enriching arts and culture, contributing to wellness and improving the environment through financial management of gifts and grants from individuals and organizations.

Grant applications and other forms are available by downloading from our website: www.cfcwi.org
Please contact the Community Foundation office with any questions.

The Community Foundation of Central Wisconsin annually funds a wide range of grant requests primarily supporting Portage and Waushara Counties. The Community Foundation specifically funds requests most consistent with our mission of *Helping People, Enhancing Education, Enriching Arts and Culture, Contributing to Wellness and Improving the Environment.*

These grants are funded by annual allocations from the following Mission funds:

Helping People (Fund One) –

This area grants to organizations and programs that identify local need priorities for services of general human growth and benefit, focusing on the underprivileged.

Education –

This area grants to support programs and general projects in any private, public or parochial educational facility. This includes all forms of literacy, individual development, leadership and skills enhancement and improving human minds in an educational setting.

Arts & Culture –

This area grants to support artistic expression, artistic performance, arts programming and organizations, expanding understanding of culture/diversity, public art installation, historical preservation, and projects that support the arts, history or culture.

Wellness –

This area grants to support nutrition, provide health care delivery, medical services, personal health maintenance, general mental health, sports activities, exercise or outdoor activities, or improving human health and well being.

Environment –

This area grants to support outdoor wildlife habitat, green space, water quality, clean air, and projects that improve our outdoor environment.

Community Fund –
