

GRANT SUMMARY

Please Provide a Brief Description Explaining Your Grant Request in 50 Words or Less

GRANT RESUME

Please respond to the following questions on a separate page. *(Keep Answers Brief & Concise)*

1. How is your grant request relevant to the Mission Fund(s) for which you are applying?
2. What is the number of people served by your program/project?
What is the impact to individuals/community with your program/project?
3. How does your program/ project respond to current, emerging and/or increasing needs?
Justify that your program/ project is beneficial and not a duplication.
4. What are the resources (financial, personnel/volunteers, experience) in place to carry out your program/project? If not fully funded, how would your program/project proceed?
5. How does your program/project budget demonstrate collaboration with other funding sources, and is this budget realistic?
6. What are your program/project goals, objectives and evaluation criteria?

All Grant Requests must contain the following: *(Assembled in Order Listed and Stapled)*
