

LETTER TO THE EDITOR

### **Living Legacy Circle**

Our Community lost a remarkable citizen recently. But the passing of Helen Godfrey does not mean the end of her good works for our community.

Helen was a person of great foresight – she not only enjoyed giving back to her community while alive, she also had a deep desire to continue her good works into the future. And the Community Foundation of Central Wisconsin was fortunate to be part of her future giving.

In 2009, Helen joined the Foundation’s Living Legacy Circle by notifying us of her wishes to distribute part of her estate to three funds at the Foundation: The Community Fund, Green Circle, and The Women’s Fund.

As a dedicated member of the Community Foundation’s Board for 15 years, Helen realized the importance of the foundation’s work – to give back to our community forever. By letting the Foundation know of her estate plans in advance of her passing, she joined a growing group of citizens who care deeply about our community and its future well-being.

If you have charitable giving dreams for the community, the Foundation would be honored to have you join the Living Legacy Circle. Feel free to phone 715-342-4454 so you can be assisted in realizing your wish to make a difference in the future.
