

Jacob Robert Zick - May 7, 1990-October 18, 2009

Jake died at the young age of 19. Our loving son, brother, and friend left us too soon. He is extremely missed. His memory we hold dear in our hearts. He touched a lot of lives. His outstanding character, contagious smile, and ability to coax up a conversation with anyone, both young and old, always leaving a positive impression, are traits we'll always remember about Jake.

Jake was a very hard worker. He thrived on it. He knew if he wanted something he had to go and work for it. He especially excelled at fixing things mechanically, always willing to help anyone who needed it. If someone would call for his help he'd say, I'll be right there.

We –the Zick family- Dale and Lisa his parents, Michelle his sister, established The Jacob Zick Memorial Scholarship to duplicate Jake's willingness to help others. Our goal is to help a person with the same ambitious attitude as Jake's. Work hard and succeed in reaching your dreams.
